A FUN-DRAISING EVENT TO BENEFIT:

ABOUT IN*SOURCE :

Since 1975, the Indiana Resource Center for Families with Special Needs or **IN*SOURCE** has provided service to Indiana's families of infants, toddlers, children, youth and young adults with disabilities.

IN*SOURCE is a parent organization. Through the work and dedication of the Board of Directors, the staff and many volunteers, virtually all of whom are parents of persons with disabilities, **IN*SOURCE**, utilizing a proven parent to parent model, has provided quality assistance and support services and educational resources to the community of individuals and organizations that serve and support persons with disabilities. We have worked to help countless families confront the complexities and the challenges of having a loved one with special needs.

IN*SOURCE celebrates the accomplishments of individuals with disabilities and their families and we affirm our ongoing commitment to them, and we'd like to introduce you to one special individual that we serve now:

Meet Cameron...Student, Athlete, Gold Medalist, and Member of the IN*SOURCE family since 2004. At the age of 10, Cameron wanted to go to school and participate in sports with his typically-developing peers. **IN*SOURCE** helped him achieve those goals and overcome challenges presented by Down Syndrome and hearing loss. Cameron is now 15 and in high school, where he continues to attend regular classes and is working hard to earn his high school diploma. He loves sports and recently won a gold medal at the Special Olympics! After high school, Cameron plans to attend Ivy Tech and wants to work for the FBI! **IN*SOURCE** has been available to assist Cameron's family every step of the way. We will continue with them on Cameron's journey to a happy and successful adulthood!
