- Indiana Adult Guardianship Services Project of The Arc of Indiana
- Other interested local and state organizations will be invited to be co-sponsors.

Live Continuing Education Credits

The Northwest Indiana Symposium is committed to providing a quality continuing education program for professionals and volunteers who are involved in the legal, nursing, social work, mental health, guardianship, law enforcement and other allied fields. The 2008 Symposium Program was approved for live continuing education credits for each of the above professions. Certificates of attendance were issued for all other professions.

“The 2008 Symposium was a valuable learning experience for me as a volunteer and professional. The speakers were knowledgeable and I appreciated the opportunity to network with other professionals from Northwest Indiana. I will certainly plan to attend again in 2009.”
